

Alpha Omicron Pi Mr. Fraternity

Please join us for Alpha Omicron Pi's twenty-fourth annual Mr. Fraternity Contest! The event will be held at The Graduate located at 990 Industrial Way on April 28th, 2010 beginning at 7 p.m.

The proceeds will go to the Alpha Omicron Pi Foundation, which supports Arthritis Research Grants, educational grants, and scholarships. Nearly 70 million adults in the United States are affected by some type of arthritis or chronic joint symptoms. Alpha Omicron Pi hopes that by putting on this event we will be able to raise money to help with arthritis research and education.

Over 600 members of the Cal Poly and Greek Community will be in attendance to watch each I.F.C. and U.S.F.C. fraternity have an outstanding member compete in a male pageant. They will compete in the categories of talent, sportswear, formal wear and a final question. With help from Alpha Omicron Pi coaches the representatives from each fraternity compete for the prestigious Mr. Fraternity crown and the title of Mr. Fraternity for the year.

Price of Admission is \$5 pre-sale and \$7 at the door and donations benefiting Arthritis Research will be gratefully accepted. We are also seeking business sponsorships and list of different Sponsorship Categories is attached. If you cannot be a sponsor please feel free to donate at Mr. Fraternity or by contacting Alpha Omicron Pi.

Thank you for supporting Arthritis Research and Alpha Omicron Pi. Call Courtney Jensen at (916) 600-3551 (aoiichipsiphilanthropy@gmail.com) with any questions about the Mr. Fraternity event, sponsorship or donations.

Did you know?

- For every 3 American adults, one has some type of arthritis or chronic joint symptoms. This is equal to nearly 70 million people.
 - 41 million of those affected are women.
- For every 4 people affected by the most common form of arthritis, osteoarthritis, 3 are women.
- For every 10 people who have lupus, 9 are women.
- 71% of all cases of Rheumatoid Arthritis are women- 1.5 million of them

How can you help prevent arthritis?

- Maintain a well-balanced and healthy diet.
 - Make sure you get your vitamins.
- Create and do a regular exercise routine.
- Contribute to AOII's philanthropy, of course!
